INTELLECTUAL PROPERTY RIGHT CELL

Date : 06/03/2024

Intellectual Property Rights (IPRs) help in protecting and commercializing the inventions in services of the college. IPR includes patents, trademarks, copy rights, trade secrets and other species such as computer software or printed material, any new and useful process, machine, composition of matter, life form, article of manufacture, software, copyrighted work. The Intellectual Property Right Cell is established in the college to ensure a speedy and accurate identification and protection of innovations arising out of the research work carried out by the students and alumni of the college. It is a necessary procedure in an educational institution to encourage creativity, research and provide a conducive environment.

FUNCTIONS OF CELL

1. IPR cell aims to create awareness and guide the faculty, staff and students of Bharath Institute of Management (BIM) on the importance of Intellectual Property Rights (IPR).
2. IPR cell of college will enhance the quality of thinking, propagate a culture of regard and respect for IPR, ensure speedy and accurate identification and protection of innovations arising out of the research work carried out by the students and alumni of college.
3. IPR cell will facilitate transfer of knowledge and technology from the college to industry and enhance the scope of their commercialization.
4. The Cell also aims to offer assistance to grass-root innovators in the local area to realize the commercial benefits of their innovations.
